

The mission of Wounded Warrior Project is to honor and empower wounded warriors. WWP provides unique programs and services that ease the burdens of the wounded and their families, aid in the recovery process, and aid in the transition back to civilian life.

STC Boys Lacrosse Club is committed to Wounded Warrior Project and the young men and women who benefit from WWP's programs and services. These service men and women give life and limb to protect our freedom, and STC Boys Lacrosse Club recognizes and appreciates their sacrifices.
